Scott Janssen Scratches Between Rohn and Nikolai

Anchorage, Alaska - Tuesday, March 4, 2014- Veteran Iditarod Musher Scott Janssen (bib#20) of Anchorage, Alaska, scratched, at 6p.m between Rohn and Nikolai.

While stopped and regaining control of a loose dog Janssen severely injured his leg. Janssen has been transported back to Anchorage for medical evaluation.

Weather conditions in the area grounded the Iditarod Air Force. We appreciate the prompt, professional assistance of the Alaska Air National Guard, who transported Janssen back to Anchorage.

Janssen's team is currently under Iditarod care and will be transported to McGrath in the morning.

He had 15 dogs in his team.
