

If There Were Signs On the Iditarod Trail

Which signs could be along the Iditarod Trail?

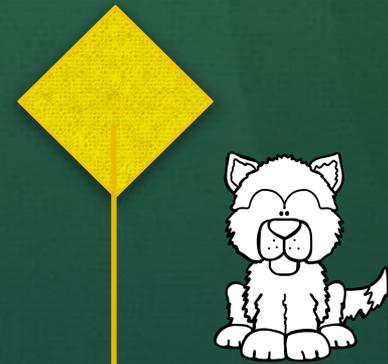

Which signs wouldn't be there?

Use your thinking and inferencing skills!

Yellow diamond-shaped signs mean “Warning!”

- There are no diamond shaped warning signs for the mushers on the Iditarod Trail

- BUT...

Which signs COULD be there to help?

1. Use your inference skills to help you decide.
2. Use your words to tell why certain signs COULD help with safety on the Iditarod Trail.
